INSPIRATION FOR YOUR HOME

Quality Looking to the future

Home improvements can make a massive difference to your property and lifestyle, but they are a serious investment that requires careful consideration. The success of your project is going to depend on the quality both of the product and of the company that installs it. So for real peace of mind it pays to choose a brand name you can trust... TG Color.

A Whole new look

By carefully choosing the right window styles you can instantly transform and personalize your home using the long list of options and features TG Color provides.

HIGH PERFORMANCE MATERIAL

TG Color high performance aluminium and PVC windows and doors are one of the easiest ways to improve the comfort and energy efficiency of your home.

flexible solutions for any demand

DESIGN AND COMFORT

TG Color has over 40 years experience in the home improvements industry for Windows and Doors and today we are a name recognized for quality and service.

We manufacture the highest quality products.

When you choose TG Color you know you are in safe hands.

Safety first

We think there is nothing more important than the safety and security of your home and family.

All our products offer maximum security, with the highest specification locking mechanisms and an advanced range of special security features.

You would be right to assume that every TG Color window is made exactly to order, but do you realise how much choice and versatility windows can offer?

With a complete range of sizes, shapes, finishes and glass designs the options are endless. TG Color provides a made to measure service so if you need advice on getting the right windows for your home, ask a TG Color expert.

designed for you

From the most decorative to the simplest designs we provide a complete range of Windows and Doors that you can adapt to suit your individual needs.

Our windows and doors are available in a choice of white, RAL and Wood effects to provide a stylish and co-ordinated finish.

PERSONALIZED SOLUTIONS

Our company operates with modern materials, but **with handcraft care** of the details. Therefore, any solution is completely customized! **Make your home** and your space **unique** by adding Unique details.

PROJECTS CAREFUL

Handmade product, but always designed with great care.

In advance it will be possible to calculate the performance of your window!

This allows to calculate the thermal values of the new or renewed home, and be sure you meet the standards needs.

ASSISTANCE ON LINE

Our offices are at your disposal to offer assistance online, with quotations in a short time, information, photos, catalogs and more ... from simple info to delivery at home.
